

School Board funding: Board of Directors' meeting April 18, 2007

The Rainbow District School Board has requested the Ontario Public School Boards' Association renew its petition to the Government of Ontario that there be one publicly funded school board system in the province and that a public referendum be held at the time of an election. The chamber's concern is efficiency in the delivery of education.

MOVED THAT the GSCC support the Rainbow District School Board's request for a provincial referendum.....**CARRIED.**
