

ARE HR CHALLENGES KEEPING YOU AWAKE?

You're a good employer. Your employees love their work but you're experiencing high turnover. It's becoming harder to find qualified talent in a market where potential employees are increasingly selective. In fact, it seems that attracting and retaining the right people has become your company's highest priority.

To help you deal with these challenges, BDC has created a cost effective program to develop customized HR policies for growing businesses. Come take part in these 6-day group meetings addressing critical HR issues.
