**Prepare to face the challenges of Sudbury's economic boom**

(Sudbury) – The City of Greater Sudbury is experiencing a major economic boom. This favourable economic situation has opened up new and wide business avenues and enormous employment opportunities for the residents of Sudbury. With an increase in the retiring population, meeting the demand for skilled workers can be a challenge to the business community.

The Greater Sudbury Chamber of Commerce will be hosting a Presidents' Series Luncheon with Brendan Cunneen, Vice-president, Business Development Bank of Canada, Ontario. Mr. Cunneen will be addressing these challenging realities in his presentation, "Accelerating Growth." This presentation will be held on Tuesday May 27, 2008 at the Grand Paris Ballroom, Radisson Hotel between 12 pm and 2 pm

Tickets for the luncheon are \$30 + GST for chamber members and \$50 + GST for future chamber members. The luncheon runs from 12 noon until 2:00 pm and is open to all chamber members and the general public.
