President of Laurentian University to speak about continued prosperity in the North.

(Sudbury) – The Greater Sudbury Chamber of Commerce will host Dr. Judith Woodsworth, President of Laurentian University, on Tuesday, April 29th, 12 noon, at Bryston’s on the Park, 5 Creighton Road, Copper Cliff.

As Laurentian University nears its “golden” anniversary, it has experienced a significant transformation over the past five years such as the opening of the Northern Ontario School of Medicine, a joint initiative with Lakehead University, the establishment of its first six PhD programs, significant growth in enrolment and research activity, an on-campus construction boom and stronger collaborations with equally engaged public and private sector partners.

Dr Judith Woodsworth will present an overview of the university’s recent activities, economic impact in the community and plans for the future as it embarks on The Next 50 Campaign, an important catalyst for continued prosperity and positive change in Greater Sudbury and the North.

Tickets for the luncheon are \$30 + GST for chamber members and \$50 + GST for future chamber members. The luncheon runs from 12 noon until 2:00 pm and is open to all chamber members and the general public.
